

Hammad Ahmad Warsi

YouTube Scriptwriter & Content Writer

03044573389 · hahmadwarsi@gmail.com · Lahore, Pakistan

SUMMARY

YouTube scriptwriter specializing in paranormal, UFO, conspiracy, and true-crime-adjacent content for faceless channels. Background in SEO copywriting and research. Works with AI tools, including Claude, to speed up drafting while keeping scripts natural, visual, and grounded in the actual source footage.

EXPERIENCE

YouTube Scriptwriter & Researcher — Virtue Patch

Jan 2026 – Present

- Write full scripts and rephrase (SWAP) source material for faceless YouTube channels in the paranormal, UFO, conspiracy, and police bodycam space.
- Turn visual footage and screenshots into short narration entries with consistent structure, tone, and pacing, following house style guides for each channel.
- Use Claude to speed up drafting and maintain consistency, including a video-analysis workflow that grounds scripts in the actual footage rather than assumption.
- Apply retention principles (hook strength, ending variety, pacing) across scripts for channels including Paranormal Road Rider, Uncharted Travel, and The Abandoned Camper.

Content Writer — Media Foundation 360

Mar 2025 – Oct 2025

- Wrote SEO-optimized website copy and blog content for UK-based clients, including Twicsy UK.
- Conducted keyword research and briefed leadership directly on content direction and progress.

Content Intern — Inter-Services Public Relations (ISPR)

- Completed training in fact-checking, peace journalism, and civic reporting.
- Presented on media communication topics at BNU, LCWU, and the University of the Punjab.

Mentor — The Citizens Foundation (TCF), Rahbar Cycle 46

- Mentored 8th-grade students on analytical thinking and communication skills.

SKILLS

AI-assisted scriptwriting (Claude, ChatGPT, Gemini, Grok) · SEO writing & keyword research · Storytelling & narrative structure · Fact-checking & research · MS Office, Canva, CapCut
